## AMERICANA STORIES IN A MUSICAL LANDSCAPE

### FOR CD & MUSIC REVIEW - NEW RELEASE!

Description: **Americana Duo - Story Telling - Theatrical - Soundtracks**

What happens when you give quiet introspective stories, to a loud extroverted Musician? The 3rd Album titled Gravity by ArtemesiaBlack is an atmospheric adventure to delight the senses.

ArtemesiaBlack's Gravity album, of lush harmonies, experimental instrumentation, moody and thoughtful stories explores human consciousness, and gives introspective glances at both tranquil and turbulent moments of life. A true story of opposites attracting, their music weaves together diverse experiences into a tapestry of both delicacy and strength. The perfect fabric for anti-mainstream misfits to wrap themselves in. Gravity is for contemplation and immersion and to keep at bay, for a moment, the noisy outside world.

ArtemesiaBlack is a husband and wife duo Sabine and Kenny Schick. Their hearts joined from opposite sides of the world, Australia (Sabine) and USA (Kenny Schick) and now together based in Nashville, TN.

*"Oh my goodness, Kenny & Sabine! You two have surpassed all my expectations and have produced one of the most beautiful albums I've heard in a long time... Seriously. Lisa Weitzmann - Bay Area California*

*"We absolutely heard a very similar spirit! ... personal / unique music that does not long for certain \*cliches / sounds / scenes\* .. but a direct output from the heart ... real .. what I call \*music\*! Lord Litter - German DJ*

*"There is a lovely, gentle haunting in them that echoes in me and compels me to return to them time and again." Linda Dunjey - Western Australia*
